1931

Grower of perennial specialties.

135 Irvington Ave. BRADFORD, OHIO

Nursery and residence in the north-west corner of city.

The finest of ANNUALS and PERENNIALS
Lowest Prices.

Mail orders will be given careful and prompt attention. Postage will be paid on orders of \$2.00 or more.

IRIS- Three rhizomes for the price of two.

OTHER PLANTS- Six for the price of five.

10% discount allowed on Saturdays.

For those who come to the nursery, plants are dug with a ball of earth so they will continue to grow nicely.

ROCK PLANTS are marked with a star-(*). We offer only those that do well in the border. You need not have a rock garden in order to enjoy these admirable subjects. We recommend them for edgings.

THE WESTON VIOLAS.

These violas differ from all others in that they actually require full exposure to the sun. They flower freely during the heat of the summer. Ours have been found in bloom every month of the year save December and January. Some of them are very scarce and expensive. We are the proud possessors of all of them and will reduce prices as soon as propagation make it possible.

"Here they are" in order of introduction by originator:

Viola Jersey Gem. Pure violet-blue. Sturdy, compact plant. .15
 Viola Jersey Jewell. Color true pansy violet. Largest flowers. .25
 Viola White Jersey Gem. The habits of the above. Dainty white. .50
 Viola Jersey Belle. Clear mauve without shading. Most compact. .75
 Viola Odorata Rosina. Pink and old rose. Incredibly fragrant. .75

IMPORTED GERMAN PEAT.

Because we find peat so very useful in gardening and because it is usually difficult for our customers to get we have purchased a supply which we are offering to you at cost. The original bales contain 18-20 bu. These we will deliver to you at \$4.00. Then we have broken up several bales and packed the peat in cartons and bags. These are priced according to weight at about 25¢ per bu.
